## Antioch News-Theatre Halloween Party Set For Fri., October 27

### Prizes for Best Costumes to Be Given During Movie Party

The annual Halloween party for Antioch grade school children will be held Friday evening, Oct. 27.

F. B. Swanson, owner of the Antioch theatre, in co-operation with the Antioch News will be hosts to the children as they have been for many years.

The children will meet at the public grade school and at 6:15 o'clock will march in costume to the theatre.

There they will compete for prizes for the best costumes. There will be three prizes for boys and three prizes for girls of every grade. Mrs. Edith Elms, Mrs. Marion Rigby, and Mrs. Joseph Horton will be the judges.

Treats will be given out to all children at the theatre.

No adults will be admitted to the theatre until all of the children are seated. A special film of interest to the children will be shown.

After the first half of the program the lights will be turned on and a break made to allow the parents to get the tiny tots and take them home.

Principal Richard Whitacre of the grade school will serve as parade marshal.

## Emil C. Hallwas, 77, Well-Known Builder, Passes Away Today

Emil C. Hallwas, well-known resident of Antioch community, died today (Thursday) at 1:30 p. m., after a long illness. He had lived at Bluff lake for the past few years.

He was born in Kankakee, Ill., on March 10, 1874, and had lived in and around Antioch for the past 30 years, coming here from Chicago where he lived after leaving Kankakee. He was engaged in the building and allied trades all his life and was a contractor here. He was a member of the A. F. of L. carpenter's union.

He was preceded in death by his wife, Mary, who died on June 23, 1949. Survivors include a daughter, Mrs. Elsie M. Hughes, and three sons, Emil F., Harry C., and William C., all of Antioch. He also leaves eight grandchildren, 17 great-grandchildren and two brothers.

Funeral services will be held at the Strang funeral home, Antioch at 1 p. m. on Saturday, Oct. 21, with the Rev. G. Richard Tuttle officiating. Burial will be at Oak Ridge cemetery, Chicago. Friends may call at the funeral home after 7 p. m. this evening.

## Lakeland Players Pick Cast of 'Adam's Evening' To Be Given Dec. 6, 7, 8

Members of the cast of this season's dramatic production, "Adam's Evening," were chosen by the Lakeland Players at a meeting at the North Main street home of Mr. and Mrs. Wendell Nelson last Friday evening.

Clare Lundy, director, has called the first rehearsal for Nov. 3. The production will be presented Dec. 6, 7, and 8 in the auditorium of the Antioch Township High School.

The cast will be as follows:

Wendell Nelson, Adam Adams; Arlene Nelson, Anna; Bette Meyer, Mrs. Bean; Bob Lindblad, Gertie; Bud Roberts, Dr. Fragoni; Annette Steber, Rosita; Ray Breuer, Elmer Green; Harold Nelson, Mr. Cokes; Beverly Roberts, Mrs. Cokes.

## Holstein Cow Completes 306-Day Official Test

Brattleboro, Vt., Oct. 13.—With 745 pounds of butterfat and 16,199 pounds of milk testing 4.0 per cent to her credit, Ravenglen Senatore Triune, registered Holstein-Friesian cow owned by Laurence Armour, Antioch, Ill., has completed a 306-day production test in official Advanced Registry.

She was milked three times daily, and was 5 years, 8 months of age when she began her testing period. Testing was supervised by the University of Illinois, in cooperation with The Holstein-Friesian Association of America.

Orchard Street Oiled  
A protective coating was placed on Orchard st. this week and the street is now open to the public.

## To Show Scout Movies At Lotus Woods School

How Cub Scouting can be made a success in every neighborhood will be shown in movies to be presented at 8:30 p. m., Tuesday, Oct. 24, at the Lotus Woods school on Grass lake road by a representative of the Boy Scouts of America.

Parents and anyone else interested in the formation of a Cub Scout pack are urged to attend. Boys of 8 to 11 years of age are eager to become Cub Scouts, and if a pack is to survive it must have the assistance of the parents.

## 2,869 Signatures on Way to Berlin for U N Freedom Bell Ceremony

### Social Studies Students Collect \$93.15 for Cost of Bell

Scrolls with the names of 2,869 Antioch and Lake Villa township residents are on their way to Berlin, Germany, to be exhibited at the dedication of the Freedom bell of the United Nations Tuesday.

Accompanying the names is \$93.15 which was contributed by signers to help pay for the making of the bell which will be rung daily in Berlin in the interest of the spread of freedom around the world.

The lists and money are the result of a campaign in which 33 Antioch Township High school students of the social studies class and their teacher, Mrs. Jeanette Tulumello set out to get 3,000 signatures before the deadline. They canvassed the area to the south as far as Lake Villa and the west as far as Channel and Grass lakes.

The social studies class and the music department will put on a public program at 2 p. m. Tuesday in observance of United Nations Day. There has been a request for the ringing of bells and the sounding of sirens at that hour when the Freedom bell at Berlin will be dedicated.

"We thank the people who signed the scroll and contributed to the fund," said Mrs. Tulumello. "The students did a good job on a worthwhile project."

## Brother of Charles Andersen Dies at Veterans Hospital

James Andersen, 66, of Racine, Wis., brother of Charles Andersen of North ave., Antioch, died last Thursday at the Veteran's hospital, Wood, Wis., and the funeral service was held at the chapel there at 2 p. m. Monday. Burial was in the national cemetery at Wood.

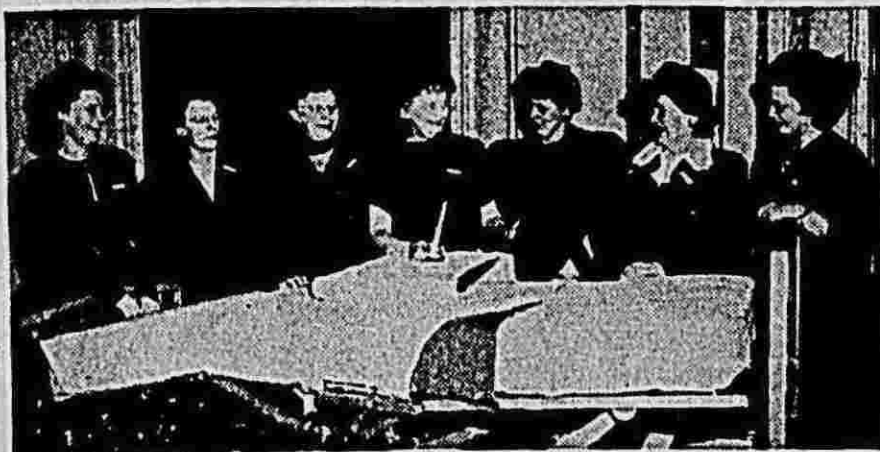

Mr. Andersen was born in Sturtevant, Wis., on Sept. 6, 1884 and had lived in Racine 40 years. He served in the U. S. army, 32nd division, Btry. C in World War I and had also served in the marines one year. He was a member of the Veterans of Foreign Wars and the 32nd Division Veterans association.

Surviving are a sister, Mrs. Soren Nielsen of Union Grove, and three brothers, Charles, of Antioch, Henry of Pleasant Prairie, Wis., and Oscar of Racine.

**Paper Drive Yesterday**  
The patrol boys of the Antioch grade school conducted a paper collection yesterday in raising money for their school activities. Henry Rentner and Merrill Cunningham furnished trucks for the drive.

The Campfire Girls will have a doughnut sale Saturday. A paper drive also is planned and the girls ask local residents to save their old papers in bundles for them.

## Inspect Hospital Beds at Chicago

Lake county delegates to the Illinois Division, American Cancer Society's annual conference, are shown inspecting one of the hospital beds stocked by the loan and gift closet in Chicago for use by cancer patients. The conference was held on October 5 and 6, at the LaSalle hotel, Chicago. Left to right: Mrs. Barbara Holbek, Antioch; Mrs. Edwin A. Johnson, Mrs. Frank Luehr and Mrs. Paul Schulz, Deep Lake; Mrs. Barney Weismantel, Mrs. Leona Maley, and Mrs. Ethel Graton, Lake Villa.

## Homecoming Celebration Starts Tonight With a Parade; Game Tomorrow

### Queen to Be Crowned During Dance at High School Gym

Can Antioch High defeat Grant High tomorrow night?

Coach Maurice Kruzan believes they can if they settle down and play the brand of football that teams in the past have been able to do with marked regularity.

Grant will come here undefeated in four starts, while the Sequoias have won but one game.

Upon the line will depend victory or defeat, the coaches say. A slow line spotted Palatine two touchdowns in the first quarter on the Tiger field last Friday evening, and although the Sequoias played their opponents on even terms thereafter, they lost 20 to 13.

Baird scored Antioch's first touchdown in the first quarter and the extra point was run. The other touchdown came when Lubkeman blocked a punt and fell on it behind the goal.

Tomorrow night's game will see two bitter rivals facing each other and any overconfidence that Grant may exhibit will no doubt see the Sequoias taking full advantage.

A parade at 6:30 p. m. today will touch off the celebration of Antioch Township High school's annual homecoming.

Headed by the high school band, the fire department and Rescue squad, a line of floats and marching students will proceed from the high school down Main street through the business section and back to the school.

Appearing on an especially decorated float will be the homecoming queen, Pat Hogan, and her court comprising Sue Norman, Ann McMillen, Joan Cervenka, and Carmen Edmundson.

After the parade there will be a bonfire and pep session at which Coach Maurice Kruzan and Capt. Gutkowski will be the speakers.

The football game with Grant High school will be at 7:30 p. m. Friday. Between halves the queen and her court will be included in the parade of the school band over the playing field.

After the game there will be a dance in the school gymnasium with Art Smejkal's orchestra furnishing the music. During intermission at 10:45 p. m., Miss Hogan will be officially crowned queen.

## Northwest Conference W L Opp Tp Barrington 4 0 13 136 (Continued on page 7)

## Mrs. John Bay Dies of Heart Attack, Funeral Held Tues. Afternoon

Funeral services were held at 1 p. m. Tuesday for Mrs. Ruey J. Bay, 73, of Lake Marie, who died of a heart attack at 10 a. m., Saturday at St. Therese hospital.

Mrs. Bay was born Oct. 9, 1877 at Carthage, Mo. From there she moved to Peoria, Ill., and then came to Antioch 20 years ago.

She is survived by the husband, John Bay, a plumber, two nieces, Mrs. C. A. Ballard of San Antonio, Texas, and Mrs. Ruey Danenberg, Roswell, N. M., and a nephew, George Vaughn, of Modesto, Calif.

The Rev. Roberts E. Ehrhott of the Episcopal church officiated at the funeral service conducted at the Strang funeral home. Burial was in Graceland cemetery.

## Central Sewage Plant Termed Far Distant Dream by Council Head

A central sewage disposal plant for sewage disposal in Lake county is but a far dream, and not an immediate solution to the problem of pollution in Lake county lakes, according to Vern Heath, president of the Chain O' Lakes council.

Heath's statement was in reply to the solution of lake pollution by the Lake County Civic League.

Those who attended the public meeting of the council at the high school gymnasium last evening were told by Mrs. Elwood Hansmann, Highland Park, that the county health department approved by the Illinois Conference of Parents and Teachers must be worth while or 71 per cent of the counties in the state would not have it, and half the counties in the United States possess it.

She urged Lake county voters to vote "Yes" on the proposal Nov. 7, saying that 28 cents tax per \$1,000 property valuation is cheap protection for a family's health.

The picture "Pure Waters" was shown as entertainment.

## Mrs. Oscar Onstad, 44 Dies at Channel Lake; Burial at Minneapolis

Mrs. Ruth J. Onstad, 44, died at 11:30 p. m. Sunday at her home on Linden lane, Channel lake. Although she had been in poor health for a year the end came quickly from a cerebral hemorrhage, a coroner's autopsy revealed.

Mrs. Onstad was born July 9, 1906 in Milroy, Minn., and lived in Chicago before moving to Antioch five years ago. She was a member of the woman's auxiliary of the Antioch post, American Legion.

The Onsteds operate the Castle restaurant at Hickory Corners.

Surviving the husband, Oscar I. Onstad, a son, Robert I. Onstad, and a daughter, Jacqueline. Also mourning her death are her father, Charles Sawyer, Detroit Lakes, Minn.; two brothers, Clifford Sawyer, Grand Forks, N. D., and Myron Sawyer, Sioux Falls, S. D.; and a sister, Mrs. Ethel Aiken, Spokane, Wash.

The funeral service was held at 2 p. m. Wednesday at the Strang funeral home with the Rev. Roberts Ehrhott in charge. The body was taken to Minneapolis, Minn., for burial in Acacia cemetery.

## State to Induct 2,637 For Service in December

Colonel Paul G. Armstrong, director of selective service for the State of Illinois, today announced that he has received the December call for induction of registrants in the state.

A total of 2,637 persons are called for induction during the month of December. This does not include any special call for doctors, dentists or veterinarians. Any total for them would be in addition to the present call.

Gen. Lewis B. Hershey, national director of selective service, has suggested to Col. Armstrong that arrangements be made to complete inductions, if possible, by Dec. 20. It is the intention of Col. Armstrong to try to complete all of the inductions by Dec. 15, so as not to disrupt Christmas plans and other arrangements made for that season.

## Business Men, Farmers, Labor Leaders Urge All Eligible To Vote Nov. 7

The Get-Out-the-Vote advisory committee, a non-partisan organization meeting at Waukegan Monday, appealed to Lake county citizens to go to the polls Nov. 7.

"It is not enough to merely be registered, it is a citizen's duty to cast his ballot in the way he chooses," said Robald Paddock, Volo, general chairman.

Business men, farmers, and labor leaders, attended the meeting and spoke in behalf of the effort to get the people to the polls.

The people were warned that unless they exercise their right of franchise they may soon lose it.

Business and professional men, particularly doctors, were pointed out as the most lax in voting.

## Mrs. Church Will Talk on 'Challenge of 1950' At Tea Here Tuesday

"The Challenge of 1950," will be the subject of the talk to be given by Mrs. Marguerite Stitt Church, Republican candidate for congress from the 13th district at a tea given in her honor at the Scout home at 2 p. m. Tuesday, Oct. 24.

Mrs. Church will be introduced and will give her talk at the first of the meeting and the tea will be served afterward at which time the women will be given an opportunity to become better acquainted with her.

This is Mrs. Church's only appearance in this area before the November election. She is brought here by Republican women of Lake Villa and Antioch townships and all women of both townships are invited to attend.

Mrs. Church will remain for dinner here and will appear at a meeting in Libertyville Tuesday evening.

## Townships Can Furnish Queen for Republican Campaign Ball Nov. 4

Selection of a Campaign Queen will be a highlight of the Campaign ball to be presented by the county Young Republicans at the Rink ballroom, Belvidere at Jackson street, Waukegan, on Saturday, Nov. 4.

Each Republican township organization has been asked to support a queen candidate to be selected by the organization.

Independent queen candidates may seek the honor and the prizes which go with it, also.

Aspirants for the title can enter the contest by sending a picture and brief biography to "Campaign Queen Contest, P. O. Box 341, Waukegan."

Entries should be received not later than Oct. 27.

Music for the dance, which will climax the Nov. 7 election campaign, will be furnished by Johnny Rappis and his Aragon Ballroom orchestra.

## Lake Region Schools Organize Conference

A new grade school conference was organized this week to replace the North West Lake County conference. Schools included are Antioch, Fox Lake, Gavin, Grayslake, and Lake Villa. To date plans call for competition in basketball only. Sponsors of the conference say that the schools are of comparable size and that they are located closely together.

## County Civic League Opposes Creation Of County Health Dept.

### Says Very Few Additional Powers Obtained over Present Setup

The Lake County Civic League today came out in opposition to the creation of a county health department on the grounds that it provides little value for the amount to be spent.

Said the "Civic League Reporter" a release issued by the league to its members:

"November seventh's election presents Lake county voters with a proposal to create a County Health department to operate on a 5c tax rate, amounting to a maximum of \$250,000 per year.

"Although the Lake County Civic League recognizes that a county health department would have some benefits for citizens of this county, we do not believe it will return a dollar's worth of good for each tax dollar proposed to be spent to support its work. Therefore, the Civic League recommends that the proposal be voted down.

"The most pressing health problem in the western section of the county is pollution. The proposed health department would have a staff of inspectors who could only show people how to install or remodel household disposal systems. Its enforcement powers to prevent or abate nuisances caused by discharge of raw sewage into lakes or on open ground are no greater than those possessed by local government officials.

"Pollution problems in western Lake county can be solved only through creation of a sewage treatment district. A health department cannot build and operate a system of sewage disposal and treatment; therefore, a health department cannot solve the problem. Proposals pending before the County Board for creation of a sanitary district in the western half of the county contain the solution to the pollution problem, and should be pushed.

"Other environmental sanitation problems coming under the proposed health department include restaurant inspection. A health department would duplicate the existing inspectional function of the food and dairy division of the State (Continued on page 7)

## Local Hunters Injured In Auto Accident Near Townsend, Wis. Sun.

An automobile accident near Townsend, Wis., Sunday afternoon resulted in critical injuries to Gordon Kaskin, 21, of Bassett, Wis., and lesser injuries to three Lake county men, Ray and Henry Lubkeman, Jr., Channel Lake, and Jack Radtke, Grayslake.

Ray Lubkeman, 21, is in a Laona, Wis., hospital suffering from a dislocated hip, and his brother, Henry, 25, and Jack Radtke, 25, now home were badly cut and bruised.

Kaskin, driver of the car, had a fractured skull, broken ribs, broken collar bone, and an injured lung. He was pinned beneath the car.

The four men were starting home from a hunting trip at Wabena, Wis., and had gone about 10 miles south of that place when their car was struck by a car emerging from a side road. Their car turned over three times before it came to a stop in a ditch.

The driver of the other car, Wayne Emmett Rohloff, 26, of 812 E. South ave., Appleton, Wis., and a companion were unhurt. Rohloff was said to have admitted failing to stop in entering the main highway from the east. His car struck the rear of Kaskin's car, whirling it around sideways so that it began to roll.

Kaskin, an employee of Cooper's in Kenosha, was to report for military service in a few days.

## Charged with Assault

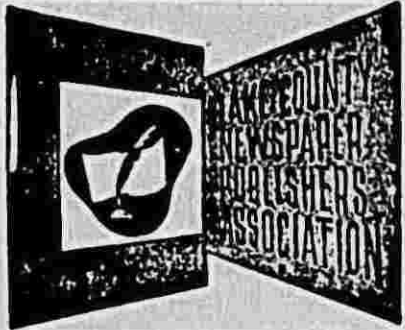

Oscar I. Onstad, restaurant operator at Hickory Corners, was released on \$200 bond Wednesday for court hearing on charges of assault and battery. He has been accused of striking his wife four days before her death. His arrest followed an investigation by Coroner Garfield Leaf which took place when bruises were found on Mrs. Onstad's face after her death. Police said Onstad admitted the assault, but offered what he thought was satisfactory explanation. The hearing is set for October 30 before Justice of the Peace Ray J. Reardon.

### Communism at Home and Abroad

The problem of whether, in a free society, we should make membership in the Communist party illegal clearly involves deep questions of principle. Many non-Communists feel that it would establish a precedent of great potential danger. Many others feel strongly that Communism at home is as great a menace as Communism abroad and cannot be tolerated.

An extremely interesting contribution to this controversy has been provided by Justice Robert H. Jackson of the Supreme Court. It is found in an opinion written by him in a test case before the Court concerning the constitutional validity of that provision of the Taft-Hartley Act which requires that officers of a labor union file an affidavit that they are not members of the Communist party.

Mr. Jackson opened his opinion with these words: "If the statute before us required labor union officers to forswear membership in the Republican party, the Democratic party, or the Socialist party, I suppose all agree that it would be unconstitutional. But why, if it is valid as to the Communist party? The answer, for me, is in the decisive difference between the Communist party and every other party of any importance in the long experience of the United States with party government."

The Justice then went on to point out five distinguishing characteristics of the Communist party which place it in a unique position. In each case, he elaborates at length on these points which, in very brief form, are as follows:

1. "The goal of the Communist party is to seize powers of government by and for a minority rather than to acquire power through the vote of a free electorate."
2. "The Communist party alone among American parties past or present is dominated and controlled by a foreign government."
3. "Violent and undemocratic means are the calculated and indispensable methods to attain the Communist party's goal."

4. "The Communist party has sought to gain this leverage and hold on the American population by acquiring control of the labor movement."

5. "Every member of the Communist party is an agent to execute the Communist program."

Mr. Jackson, of course, was dealing with a specific provision of one law—not with the proposition of whether the Communist party could be declared illegal. However, the points he laid down are, in general, those which have caused many thoughtful people to conclude that American Communism, with its foreign allegiances, is too great a danger to the nation to be permitted to exist. The evidence is now overwhelming that its sole purpose is to destroy this government and that the Kremlin calls the tune to which it dances.

### National Business Women's Week

We salute the women. They have become, during these past fifty years, a necessary and important part of America's economy. One-third of the labor force today is made up of women. The women doctors, lawyers, teachers, the technicians, the secretaries, telephone operators, salesgirls, waitresses—all the women who work and contribute to America's wealth and production deserve a round of applause. And this is their week—for October 15-21 is National Business Women's Week and will be observed for the 23rd year by the National Federation of Business and Professional Women's Clubs, Inc.

\*\*\*

### The Low Down From Hickory Grove

Folks, the IQ of Mr. and Mrs. Average Citizen has deteriorated right smart. Otherwise the whole nation would be up on its ear when people in high spots in Govt. sound off with fool talk a dozen times a day. Take the Govt. "Council of Economic Advisors"—its chairman popped off with the statement that cutting Govt. spending would have little to do with reducing the out-go. A champion fool statement, I call it.

What kind of hombies does the wise man think we are—or are we. Non compos mentis, might describe us. But I don't think it is nearly that bad—we are just in a coma. Have been for a long spell.

But our IQ, how is it. We object to no budget—big as a barn door, or bigger. Welfare and Relief are now big business. Nobody raises a hand. Prosperity and Relief in bed together. Looks odd—also phony. In one state—California—the paper says relief and welfare last year cost 300 million—\$300,000,000.

Boiled down, big Govt. is a poor substitute for business, any kind, little or big. Here in the middle of our war the Govt. is frittering millions on socialist frills—over a billion in housing, nearly 2 billion in dams and more dams, and to the tune of 2 and a half billion in agriculture tinkering.

What is a billion—that is the first IQ test. And next, whose billion is it, or was it.

Yours with the lowdown,

JO SERRA

### Mother in hospital puts child to bed by telephone!

When his wife went to the hospital, Mr. Stanley F. Johnson, of Chicago, found a new use for his telephone.

"It was the first time our daughter Christine, age four, had been separated from her mother," writes Mr. Johnson. "We thought it was going to be quite a problem, but thanks to the telephone we got along very well.

"Before her nap in the afternoon and before going to bed at night, we called the hospital and Chris talked with her mother for a few minutes. Even though she may have been fussing about going to bed a few minutes before, talking to her mother quieted her down and she was ready for bed.

"Cost of telephone service?" asks Mr. Johnson. "How can you measure it against the comfort we received that week?"

No price can measure its usefulness!

Almost every day we hear of some new or unusual use of the telephone that increases its value to someone. We'd like to hear your telephone true story. Write:

# Looking for POWER?

# Better Buy Buick!

THAT bold bonnet that stretches out before your eyes on a 1950 Buick isn't there just for show.

Lift it up, and you'll find that the space beneath is abundantly occupied, by one of the biggest hoodfuls of power you'll find in any motorcar.

What you're looking at is Buick's modern version of the high-compression valve-in-head engine, which gains extra wallop from the fact that it uses the exclusive Fireball combustion principle.

We could list a lot of mechanical reasons why fuel gives up extra power in a Fireball engine—how it's wrapped in a swirling, ball-shaped charge—how it burns with a smooth, clean thrust that delivers maximum action!

But the best way to find out what all this means is to touch off the eager horsepower out on the highway by a gentle nudge of your toe—and feel your shoulders press deep in the cushions behind them.

Now all this sounds thrilling, you say, but how about the feed-bills for all these horses? How about miles-per-gallon?

The practical answer to that one is found in this year's experience with the SUPER and SPECIAL—and even the ROADMASTER.

In all three, the horsepower was stepped up at the start of the year—and in all three, happy owners report the best mileage in modern Buick experience.

This is due to a little-known but authentic engineering fact—which is that an engine burns less gas when it doesn't have to labor. At any normal driving speed, therefore, extra power is extra thrifty.

So we say again—if you're looking for power—mighty power—buoyant power—silken power—thrifty power—better buy Buick.

Your Buick dealer is eager for the chance to demonstrate how sound this hint really is.

**Only BUICK has Dynaflo Drive®**  
and with it goes HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New V-263 engine in SUPER models.) • NEW PATTERN STYLING, with MULTI-GUARD front, taper-through fenders • TRAFFIC-HANDY size, less over-all length for easier parking and maneuvering, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

Tune In HENRY J. TAYLOR, ABC Network, every Monday evening.

# SOCIETY EVENTS

## Church Wedding Unites Jean Hughes And Harry Stewart

Joan Hughes, daughter of Mr. and Mrs. A. G. Hughes, and Harry Stewart, son of Mr. and Mrs. Archie Stewart of Channel Lake were united in marriage in the Millburn church Saturday evening, Oct. 7, at 7 o'clock. The altar was decorated with baskets of white chrysanthemums and gladioli. The double ring ceremony was read by the Rev. L. H. Messersmith.

The bride, attired in a deep wine suit with gray accessories and corsage of white orchids, was attended by Miss Louise Erickson, who wore a gray checked suit with black accessories and wore a corsage of gardenias. Ernest January was best man. Mrs. Hughes chose a dress of navy shantung and navy accessories and pink hat, while Mrs. Stewart wore black print and black accessories.

A dinner for the immediate family and attendants was held at Adolph's Channel Inn.

The couple left for a week's honeymoon in northern Wisconsin, and will be at home at Channel Lake upon their return.

## Vice President of B. & P. W. Club Interviewed Over Radio On Activity Of Bus. Women

Mrs. Marion Rigby, local librarian and vice president of the Antioch Business and Professional Woman's club was interviewed over the Waukegan radio station WKRS on the Looking over Lake County program Tuesday morning in observance of National Business and Professional Women's week from Oct. 15 to 21.

Mrs. Rigby told of the contributions made by women in the business and professional field and their increasing importance since the war. She also told of the interest of the Illinois clubs in the political field and told of the Cecelia Howard Foundation, a scholarship plan for educating women toward the betterment of the country.

The Antioch Business and Professional Woman's club was organized in October 1932 by Mrs. Fern Lux, a grade school teacher; Miss Cornelia Roberts, a former Antioch High school teacher, who has just returned from Turkey where she taught for a number of years, and by Miss Alice E. Smith, also a High school teacher. Twenty-one were present at the first meeting. Mrs. Fern Lux and Mrs. Marion Hunt are the only remaining active members of that 21, but Mrs. Margaret Gaston and Mrs. Sophie Hennings became members soon after the club was organized and still are active.

In December 1949 under the leadership of Mrs. Morris Pickus, president, the club received its charter from Mrs. Ruth Jones, state president of the Illinois Federation of Business and Professional Women's clubs and became affiliated with the Federation. At the present time the club has a membership of 50, representing all forms of business and professions.

The Antioch club is the only one in Lake county to be affiliated with the Federation, the ninth one in district one. There are 93 clubs in the state. The purpose of the club is child welfare and to help educate deserving people to receive more education. The club has maintained a scholarship fund since it was organized.

One of the club's projects is to assist with the maintenance of the Scout home. On Tuesday evening the club sponsored a public card party for the benefit of the Scout home, filling 16 tables.

Miss Iris McKinney is the club president, Mrs. Rigby, vice president, Mrs. Beatrice Simon, secretary and Mrs. Vera Horton treasurer. The club meets the first Monday of each month in the Scout Home.

## TROOP 91 TO GO ON HIKE SATURDAY

Troop 91 of the Boy Scouts will leave the Legion Home at 10 a. m. Saturday for a day hike. This will be a test passing hike. Bring food for first or second class Cooking tests or for Cooking merit badge. The weekly meeting of Troop 91 is at 7:30 on Tuesdays at the Legion Home on Ida ave.

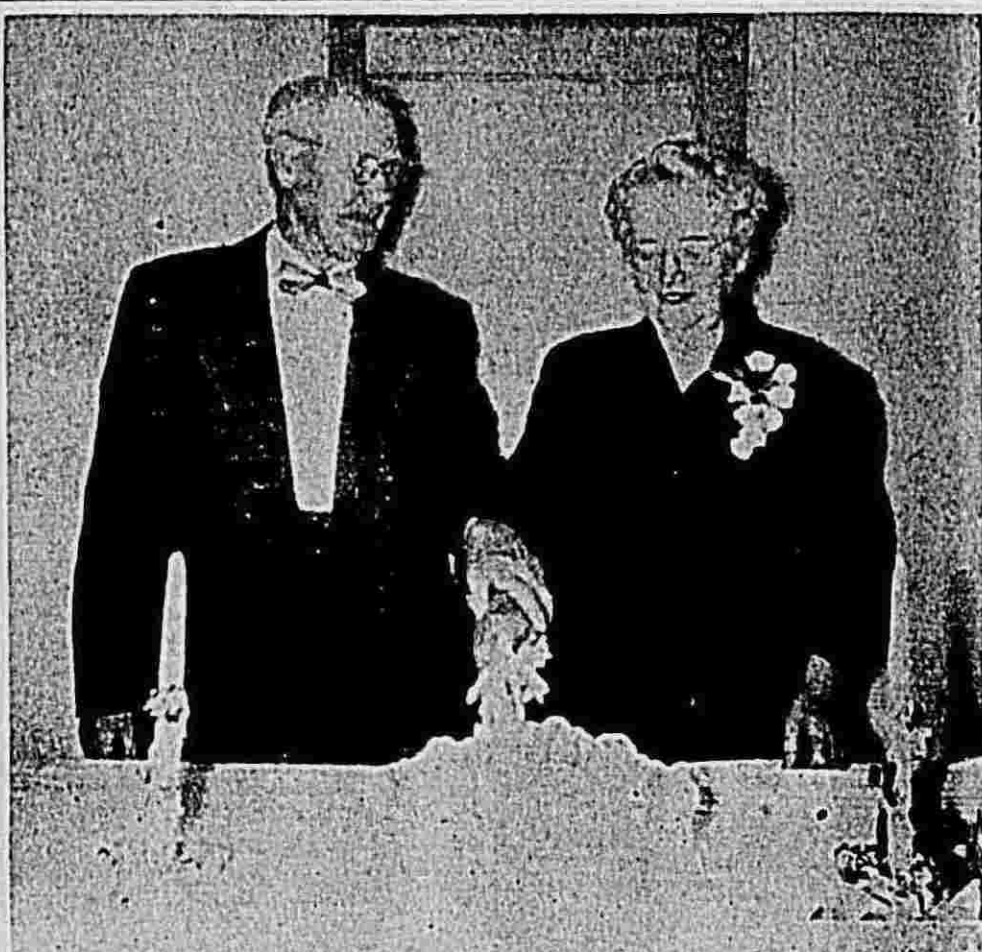

Cub Pack 91 meets at 7:30 in the Scout Home this Friday.

Mrs. Marion Rigby, librarian of the Antioch Township library, is attending the annual conference of the Illinois Library association in Peoria this week.

Howard Smythe, son of Elmo Smythe of Loon Lake, was cut about the face last Wednesday, when the truck in which he was riding with his father went into the ditch on route 21, when the front wheels locked.

Mrs. Lorraine Willett, Lake st., is a medical patient at St. Therese hospital, having been there for the past ten days.

## Cut Wedding Anniversary Cake

Mr. and Mrs. Alex Conville of Salem, Wis., celebrated their fiftieth wedding anniversary at the home of their son, Fred Conville in Chicago, Oct. 6 with a dinner at 8 p. m. Many relatives and friends were present.

Mr. Conville and his wife, the former Margaret McConnell, were married in Belfast, Ireland, in 1900. He is a retired foreman of the International Harvester Co. tractor works. They have three sons, John, of Camp Lake, Fred and Thomas of Chicago.

## MRS. J. E. LAKE

The marriage of Miss Helen E. Wolf, Antioch, to John E. Lake, Oak Park, was solemnized last Saturday in the bride's home in Antioch. The Rev. G. Richard Tuttle officiated.

courtesy of Waukegan News-Sun

## ST. IGNATIUS' BUS SCHEDULE

For the benefit of those now using the bus or planning on using it, St. Ignatius' church wishes to repeat the Sunday morning schedule and route: Leaves Lake Villa 8:35, arrives Loon Lake 8:40; arrives and turns around at Channel Lake (Edgewood and Lake aves.) 8:55; ar. 173 and Lake ave. 9:05; ar. 173 and Tiffany rd. at 9:15; ar. Morley's Subd., Lake Catherine 9:20; lv. Lake Catherine 9:25; ar. North ave and Main st. 9:27; ar. church 9:30. Return trip is the reverse, beginning at 10:40.

Adults are invited to accompany children for the 9:30 Family Services. All rides are free of charge. Children of other churches are also welcome to ride in the bus.

## AUXILIARY TO HAVE CARD PARTY NOVEMBER 3

The V. F. W. auxiliary will sponsor a card party on Nov. 3 at 8:00 o'clock at the parish house. Mrs. Lora Swanson is the chairman. She will be assisted by Mesdames Myra Randall, Ellen Flint, Earl Hayes, and Burt Anderson. Proceeds will be used to carry on the rehabilitation program.

## INTERMEDIATE M. Y. F. PLANS SUNDAY SERVICE

The Intermediate M. Y. F. will meet at the Methodist church at 3 p. m. Sunday for recreation and worship. The topic for discussion will be "The Bible Reveals God." A horseback riding group will leave the church at 4 p. m. Friday and all members may join it. The charge will be \$1.25.

## Lodge Plans Card Party

Lakeside Rebekah lodge will hold a public card party in the I. O. O. F. hall, over the Gamble store on Wednesday, Oct. 25, at 8 o'clock. Bridge, 500, pinochle and bunco will be played. Prizes will be awarded and refreshments served.

## M. Y. F. News

The M. Y. F. will hold a Fireside meeting at the parsonage Sunday at 6 p. m. The worship service will be given by Marlene Wertz.

Mr. and Mrs. D. B. Baldwin of Hampshire, Ill., were guests of Mr. and Mrs. Frank Runyard of Channel Lake Sunday.

## Lake Villa Girl Is Chairman of World Christianity Group

Miss Clarise Schultz, daughter of Mr. and Mrs. Clarence U. Schultz, Lake Villa, Ill., is serving this year as chairman of World Christian Community at Wesley Foundation of the First Methodist Church, Normal, Ill., at Illinois State Normal University.

Although ministering primarily to Methodist preference students, Wesley Foundation at Illinois State Normal University seeks to create fellowship and wholesome activities for all college age young people who wish to share in its responsibilities and opportunities in becoming intelligent, functioning Christians.

Miss Schultz' work is to preside at all world Christian community department meetings; to have general oversight of all the committees in the department; and to create interest and enlist attendance in caravanning, work camps, Lisle, other summer projects, state retreats and conferences, regional conference, and national conference.

## ALTAR-ROSARY SOCIETY TO GIVE CARD PARTY

The ladies of St. Peter's Altar and Rosary society are completing arrangements for their fall card party and style show to be held next Tuesday, Oct. 24, at 8 o'clock. The fashion show to be put on by Mari-Anne's will include the latest in fall and winter fashions for all ages. There will be cards and refreshments after the style show. Mrs. Michael Zevatson of Antioch is chairman of the event, and tickets may be obtained of her or members of her committee.

## DAUGHTER OF MAYPOLES ARRIVES FROM CALIFORNIA

Mrs. W. W. Madden and son of Burlingame, Calif., arrived Sunday for an extended visit with Mrs. Madden's parents, Mr. and Mrs. George Maypole of Lake Villa.

## WEBBS RETURN HOME FROM ROCHESTER

Ray and Elizabeth Webb returned home last evening from Rochester, Minn., where Ray has been hospitalized.

## WOMAN'S CLUB HOLDS MEETING

The Antioch Woman's club held a meeting at the Scout house on October 16, when they heard a speech on the proposed Lake County Health Department by Pearl Bayne, R. N.

The next meeting will be held Nov. 6.

## TROOP 86 ATTENDS ROUND-UP

One patrol of Troop 86 of the Channel Lake Boy Scouts spent the week-end at the North Shore Area Round-up at Libertyville.

Mr. and Mrs. Gile Edwards and daughter, Dorothy, of Channel Lake, have as a guest, Charles Schnitzler, of Waynesburg, Ky. Miss Edwards spent a few weeks in Waynesburg this summer.

## Prevent Grass Fires

Antioch firemen warn of the danger now of grass fires. The dry weather has made weeds like tinder and since the weeds that grew rank during the wet weather are so tall, they are a real menace to buildings. The department had one grass fire call at Grass lake.

## Large P.T.A. Crowd Hears Miss Roberts Tell of Trip Abroad

More than 100 persons attended the Parent Teacher association meeting at the public grade school Monday evening at which Miss Cornelia Roberts of the Grayslake school gave an illustrated talk on "Our Trip to Rhodes."

Miss Roberts, a former teacher in Turkey, showed pictures she took of the beautiful scenery of the Dardenelles, and the ruins of historical places.

"DDT has helped a lot, however, in the cities of the eastern Mediterranean where sanitation was never too good," Miss Roberts said. She said that with the high cost of gasoline, drivers of dilapidated buses have a tendency to overload each bus to make the trip pay and travel is not too comfortable.

Mrs. E. Hotchkiss of the Lake county public health committee explained the proposed county health department and asked voters to favor it in a referendum at the November election.

Hans Von Holwede led the group singing. David Cain played the trumpet solo "Roses" and Nancy Swensen sang the song by that name.

The fourth and sixth grades tied for the room count.

Cake and coffee were served at the conclusion of the meeting by the seventh grade mothers under the chairmanship of Mrs. Camphousen.

**Teachers to Attend Meeting**  
Principal R. H. Edmundson of the Antioch High school and Richard Whitacre of the grade school say all of their teachers will attend the North Shore Division meeting of the I. E. A. at Evanston Monday. The schools will be closed on that day.

**Report Cards Issued**  
Report cards for the first six weeks of the Antioch Township High school were given out to the students yesterday.

## Library Notes

The buildings that man has made to house himself and his family, his worship of the Deity, his business and his schools are of interest to all of us. "Architecture Through the Ages", by Hamlin, starts with the primitive hut and traces the development of man's skill and knowledge of materials to the erection of buildings of great beauty and simplicity. He discusses contemporary architectural problems and shows how the builder of the skyscraper faces the same type of problem that the builder of a Gothic temple or a pyramid struggled with in ages past.

"Architecture Through the Ages" was presented to the Antioch Township Library in memory of Ben R. Burke.

## Attends International Milking Shorthorn Show

Mrs. William P. Tague, owner of the Argyll farm and kennels east of the village on Rte. 173, and a fancier of milking shorthorn cattle, attended the International Dairy Cattle show and the banquet of the National Milking Shorthorn association at Indianapolis last week-end. The banquet was on Friday evening.

She saw Illinois win the state herd gold cup with eight head of the finest milking shorthorns. There were 20 entries from 19 states and Ontario, Canada. Illinois won more single entries than any other state.

## Duck Hunting Starts Nov. 3

The duck hunting season will open in this area Nov. 3 and last until Dec. 7. The daily bag limit will be four and the possession limit, eight. On geese the limit will be four and on coot 10. There is now an open season on sora for which the limit is 25.

## Juniors Given Tests

Juniors of the Antioch Township High school were given the University of Illinois tests Tuesday and again today. There are three parts to the test. One is for mental maturity, another for information, and the third for writing skills. These tests are for diagnostic and counseling purposes.

In memory of our beloved mother who passed away one year ago today, Oct. 17, 1949.  
We have only your memory to remember our whole life through, but the sweetness will last forever and we treasure the image of you.  
Loving Children and Grandchildren.

## Veterans Can Secure Second Guaranty if First One Is Lost

Veterans who lose property on which the government has guaranteed part of a loan can secure a second guaranty if conditions reveal that it was lost through no fault of their own, the Illinois Veterans Commission pointed out today.

Under the new Housing Act of 1950 restoration of a loan guaranty is possible where property was taken over for public use, destroyed by fire or other natural hazards, or disposed of because of "compelling" reasons.

Under "compelling" reasons the government is giving consideration to veterans who dispose of their property and move because of conditions affecting their health or for those whose change of employment necessitates moving to another location.

The government, however, requires that it be relieved of all liability on the first loan. An added advantage for second loans is the new higher rate of 60 per cent or a ceiling of \$7,500. Under a previous law the maximum was \$4,000.

Service officers of the IVC have been instructed on the Housing Act and are in a position to assist and advise veterans on phases of the law.

In Lake county veterans should contact the IVC officer at 228 North Genesee street in Waukegan.

## Soil Nearer Ruin Than We Realize

We're a lot closer than we realize to ruining some of our good corn belt land in northeastern Illinois, including Lake county, declares Farm Adviser Ray T. Nicholas.

Precious topsoil has worn dangerously thin on a very large acreage. In one county it is estimated that, unless present farming methods are changed, one-fifth of the farm land will go out of production in the next 15 years. And the problem is just as severe in several other counties in this area. Every land owner in Lake county will soon have an opportunity to vote on a soil conservation district.

These shocking statements come from Circular 663, Handling Northeastern Illinois Soils, just received in the adviser's office. Come in for your free copy.

Authors W. F. Purnell and E. D. Walker, University of Illinois soil conservationists, say the first job in saving the remaining good land is to find out whether your land has a tight subsoil.

Once you know that your land has a tight subsoil, make a long-time plan of putting each acre to its best use and treating it according to its needs.

The tight subsoil underlying much of Lake county is something like a physical handicap in a person. He may be able to live with it all his life and never have any serious trouble as long as he is careful. Carelessness with tight soils in Lake county means their destruction.

We can save our soil by taking care of the water and by growing more legumes and grasses, the adviser believes. He'll be mighty glad to talk over your soil conservation problems if you'll see him.

## Calls for Special Registration of Doctors

The National Director of Selective Service, Major General Lewis B. Hershey, has forwarded to Col. Paul G. Armstrong, the proclamation of the President of the United States calling for the special registration of doctors, dentists and veterinarians. The date set by the proclamation, October 16, calls for registration during the hours of 8:00 a. m. and 5 p. m. "Those called upon to register," said Colonel Armstrong, "are in the first two priorities previously described by General Hershey as male persons who participated as students in the army special training program or similar program administered by the Navy, or who were deferred from service during World War II for the purpose of pursuing a course of instruction leading to education in a medical, dental or veterinary category, and have had less than twenty-one months of active duty in the Army, the Air Force, Navy, Marine Corps, Coast Guard or Public Health Service subsequent to the completion or release from such program or course of instruction."

All persons covered by the proclamation of the President will be required to register even though they may have previously registered under the Selective Service Act of 1948. Also, all those covered by the proclamation who have not yet reached their fiftieth birthday are required to register under this Act. Every Selective Service board will be a place of registration. It has been determined that this is the only feasible way to handle the registration, since the details are more complex than in any previous registration. Each person who registers will be furnished with a questionnaire which must be returned to the Selective Service Board within five days.

### First Soldier's Home

In 1881 the first soldier's home in England was authorized.

## County Civic League . . .

(Continued from page 1)

Department of Agriculture. Trailer camp regulation, now the province of city, village and township officials, is controlled by state law, and the proposed health department would have no powers not now controlled by those officials, without changes in state law.

"Existing city health departments, not headed by full-time public health officers, would be abolished in favor of the proposed county department, or continued at added tax costs to taxpayers living within the city.

"Present school nursing services offered through the county superintendent of schools would presumably be superseded by those which the proposed county health department would afford. Convincing argument has been advanced that the rural school nurse staff of the county school should be strengthened, rather than abandoned to a county health department.

"Control of contagious disease, now handled by private physicians and city and township officials, would obviously be better handled by trained, full-time medical personnel whose interest in the problem is a full-time one. But, the county's overall record in communicable diseases is now better than the average of downstate counties.

"The highest ranking killers on our 'cause of death' list are those, such as cancer, which do not dispose themselves to easy cure by known medical methods, nor to alleviation through a public health department's operation.

"For these and other reasons, to be stated in a subsequent 'Report,' the Civic League recommends a 'NO' vote, on the county health department proposal."

**Fly United Nations Flag**  
Highland Park was all excited this week when a D. A. R. past regent had the United Nations flag removed from a staff on which the American flag flew. At the city hall there the U. N. flag replaced the American flag for the week in celebration of United Nations week. City officials there were not available for comment.

## COUNTY ZONING NOTICE STATE OF ILLINOIS ) ss. COUNTY OF LAKE )

TO WHOM IT MAY CONCERN: PUBLIC NOTICE is hereby given to all persons in the Town of Antioch, Lake County, Illinois, that a public hearing will be held on November 6, 1950, at the hour of 2:30 P. M., in the Village Hall, Antioch, Illinois, relative to a proposal to vary the terms of the Lake County Zoning Ordinance, or to reclassify by amendment thereto, from the F-Farming district, to the B-1 Business District, the following described real estate, to-wit: That part of the South half of the Southeast fractional quarter of fractional Section 2, Township 48 North, Range 9, East of the 3rd P. M., described as follows: Commencing at a point on the South line of said South half at a point 1000 feet East of the Southwest corner thereof; thence North parallel to the West line of the Section 100 feet; thence East parallel to the South line of the Section 437 feet, more or less; to the water's edge of the channel; thence South parallel to the West line of the quarter Section 100 feet; thence West on the place of beginning, together with an easement of right of way 40 feet in width, the center line of which shall be from a point on the Northernly line of the parcel hereinbefore described which is 1170 feet East from the West line of the quarter Section and thence North to a right of way extending East and West through the South half of the Southeast fractional quarter of said fractional Section, the center line of which is 639 feet South of the North line of the South half of said fractional Southeast quarter.

As a result of the petition of Paul Thomas Chase, which petition is on file and available for examination in the office of the below named Board, Court House, Waukegan, Illinois. All interested persons are invited to attend and be heard. LAKE COUNTY ZONING BOARD OF APPEALS  
John J. Hogan, Chairman.  
Dated at Waukegan, Illinois, this 19th day of October, 1950. (12c)

## WILMOT

Mr. and Mrs. Henry Vincent and Mr. and Mrs. Al VanDeWalker and family spent Sunday with Mr. and Mrs. William Maxey at Evanston.

County people and city people will get together Tuesday evening, Oct. 17 when the Kenosha Chamber of Commerce will be hosts to 60 farmers from the Wilmot area at the dinner which is under the auspices of the rural relations committee of the chamber. Ward Cropley is chairman of the committee. Professor B. F. Rucy, district extension leader from the University of Wisconsin will be featured speaker. Toastmaster for the evening will be Harold Bode.

Wallace Beach, president of the Chamber of Commerce will give a message of welcome to the guests. Community singing will be led by Alvin Hansen. Farmers and businessmen will be introduced.

Tuesday's dinner will be the seventh in the series. In the past meetings have been held at Bristol, Somers, Pleasant Prairie, New Munster and Paris, Brighton.

Mr. and Mrs. Elmer Rasch and family were Wednesday evening supper guests of Mr. and Mrs. Walter Rasch, Slades Corners.

Mr. and Mrs. Melvin Lake took Mr. and Mrs. Elmer Rasch and Mr. and Mrs. Cyril Pacey to a dinner at Harvard, Ill., in honor of their anniversary.

Mr. and Mrs. John Rausch, Jr., and Michael spent Sunday with Mr. and Mrs. William Richards of Antioch.

Mrs. William Kruckman, Burlington, was a Saturday caller of Mrs. Winn Peterson.

Mr. and Mrs. Anthony Sebena and family, Kenosha, were Sunday guests at the Rausch-Peterson home. Wilmot High School football team defeated Waterford Friday afternoon, 27-0.

Walworth will play Wilmot Friday evening, Oct. 20 for their homecoming game. A dance will be held after the game.

Mr. and Mrs. Gust Neuman attended the wedding of Marjorie Neuman and Walter Jensen at Racine, Saturday.

Annie Smith, Trevor, spent Sunday afternoon with Anna Stenzel.

The program and social committee of the Woman's club met at the home of Mrs. Marlin Schnurr.

The Woman's club will meet at the Union Free High school Monday evening Nov. 6 at 7:30 p. m.

Hostesses will be Mrs. Johnson, Fox River, and Mrs. William Elverman and Mrs. C. McCallum, Wilmot.

A dinner for 125 of the Red Feather Community fund members was held at the Holy Name gymnasium Monday evening.

Mr. and Mrs. Melvin Lake entertained Mr. and Mrs. Cyril Pacey and Susan, Mr. and Mrs. Lester Van Alstine, Mr. and Mrs. Norman Seltz, Paddock Lake, Mr. and Mrs. Harry Paasch and family, Bristol, Mr. and Mrs. Fred Paasch and daughter, Jane, Mr. and Mrs. August Krahn, of Salem, Mr. and Mrs. Lloyd Holdorf and Jimmy, Antioch, Elmer Greenwald and son, Richard, and Mary White, Bristol; Mr. and Mrs. Robert Horton and family, Mr. and Mrs. Clarence Greenwald, Melvin White, Salem; Charles Greenwald, Kenosha; Mr. and Mrs. Kenneth Faber, Lake Geneva; Mr. and Mrs. Oswald Mattner, Kenosha; Mr. and Mrs. Charles Lake, Silver Lake; Mr. and Mrs. William Lake, Mr. and Mrs. Fred Oldenburg and family, and Charles Kanis Saturday evening in honor of their tenth wedding anniversary. Cards were played and lunch served.

Mr. and Mrs. Herman G. Frank and son, Richard, Mrs. Bertha Harms and John Grabow spent Sunday afternoon with Elsie Grabow of Browns Lake.

Mr. and Mrs. Paul Ganzlin spent Wednesday with Charles Schmalfeldt, at Kansasville.

Mr. and Mrs. Wilbur Pollack and sons, Terry and Wilbur, Beloit, William Wilke, Burlington, and Rudolph Swedler, Rochester, spent Sunday at the George Hasselman home.

Mr. and Mrs. Paul Ganzlin spent Sunday with Mrs. Millie Faber, at Silver Lake.

Mr. and Mrs. Dean Ehler and

son, Kenosha, Mr. and Mrs. Duane Ehler, Burlington, and Joe Senkerik, Chicago, spent Sunday with Mr. and Mrs. John Ehler.

Nellie Hasselman left Thursday for a month's stay with her son, Clarence Pollack, and sister, Mrs. James Nickel, San Antonio, Texas. Mr. and Mrs. Frank Kruckman spent Sunday with Mrs. Alice Cole, of Crystal Lake.

Mrs. Alvin Pagel and family, and Frieda Pagel attended a miscellaneous shower Sunday in honor of Mr. and Mrs. Francis Hunt, Salem.

Mr. and Mrs. Earl Shales, Woodstock, spent Thursday afternoon with Mr. and Mrs. Cyril Pacey.

Mrs. Raymond Stoxen, Jr., entertained Mary Lou Scott, Lauretta, Marilyn Hoffman, Marilyn Graber, Elaine Martin, Joyce Stoxen, at a

miscellaneous shower Sunday in honor of her sister, Doris Pacey, who will be the bride of Wlon Speaker, Jr., of Richmond, on Friday, Oct. 20.

Word was received last week of the death of Ernest W. Peacock, son of William and Mary Peacock. He was born in Lake county, Ill., on Nov. 26, 1870 and passed away

at his home in Spring Grove, Ill., on Sept. 28. Most of his life was spent in the vicinity of Richmond, Wilmot and Spring Grove. He was united in marriage to Emma Molley on Dec. 26, 1893. To this union were born four children. His first wife passed on Dec. 7, 1923, and in 1925 he married Amanda Wilson, who survives him. Other survivors are a son, Howard Peacock, of

Spring Grove, Ill., Mrs. Lauretta Madden, Roscoe, Ill., a brother, Frank Peacock, Genoa City, and a sister, Mrs. M. Herberts, of Wheatland. A daughter, Mrs. Bernice Anderson, of Kenosha, preceded him in death. Mr. and Mrs. Herman G. Frank and son, Richard, spent Saturday evening with Mr. and Mrs. Floyd Zarnstorff, Oak Knoll.

LIGHT - MEDIUM -  
HEAVY MODELS  
Made in widest variety  
of engine-body-chassis  
combinations to fit every  
trucking need

**Think twice today  
when you buy a truck!**

THAT new truck you're considering may have to last a long time. So you'll be wise to look at a GMC for these important reasons.

GMC's are built by the world's largest exclusive manufacturer of commercial vehicles—with the broadest truck engineering experience.

GMC's are real trucks. Engine, transmission and frame, as well as cab and axles, are all specially truck-built to give you longer service. GMC truck-built engines have high horsepower with higher sustained torque—greater pulling power. They are built to give extra years of service with less maintenance.

**Get a real truck!**

GMC extra-value features include Synchro-Mesh transmission, Tocco-hardened crankshaft, full-pressure lubrication, recirculating ball-bearing steering gear, airplane-type bearings and Lifetime Weather-sealed cabs as standard equipment on practically all models from ½ ton up.

That's why more truckers are buying GMC's today than ever before—experience proves them best in the long haul!

Your key to greater hauling profits

## Hamsters, Mice, Dogs Now Part Of School Work

MILWAUKEE—Reading, writing and arithmetic were, once upon a time, the subject studied by grade school pupils. All that is changed now, especially in the Milwaukee grade school progressive system.

And in other parts of the nation, too, education in the lower grades is becoming more progressive with children studying hamsters, white mice, rabbits and dogs.

Leader in the Milwaukee study of animals is the Wisconsin humane society. Animals are borrowed from the society's shelter to make education exciting.

Robert H. Siegler, education director of the society, says every fall for two weeks one school borrows a puppy to teach children about care and feeding of dogs.

"The children take turns taking the dog home at night and the dog has free run of the schoolroom," he said.

### Children Like Classes

The Wisconsin humane society probably has one of the most extensive animal education programs in the country. Siegler has many films on animal life to show school youngsters in addition to such live specimens as Japanese walking mice, turtle doves, and guinea pigs.

The students are pleased and interested when he shows films, acquainting them with many animals of the woods and their habits. Lectures accompanying the films prepare the children for trips to the zoo or parks and provides them with new words and suggested subjects for art work or stories.

When a dog is taken to the classroom there are always a lot of questions Siegler reports.

"They always want to know how to stop a dog from barking and chasing cars," he says.

During 1949 the society gave 397 programs in schools, attended by 68,355 children. A total of 173 shelter lecture programs drew 6,682 persons. Evening adult programs numbered 76, attracting an audience of 11,160.

### Girls Not Afraid

Recently the society's demonstration dog, Chico, died and gloom spread through the grade schools. A new one, Taku, will replace him, this fall.

Siegler gives the youngsters hints on dog training such as how to stop them from jumping upon people and chasing automobiles. He used slides to show the youngsters how to care for sick animals.

"Less than 5 per cent are afraid of animals," he said. "Generally girls are more afraid of animals than boys. But now we're finding that girls are no longer fearful of even mice and snakes."

The children also take trips to the society's shelter where they learn to identify dogs types, see cats in the feline ward, listen to a parrot talk, study fish in an aquarium and visit with all the other "loan library" animals. They usually clamor to see Peewee, the pony, and the society's pet goat. In the clinic they see equipment used by the veterinarian to treat sick animals.

### British Report New Drug Cures Colds Overnight

LONDON—A new drug called CF9, that may cure the common cold overnight, has been developed by British scientists.

The common cold has long been the worst enemy of modern times, probably causing more loss of time and money than any other minor ailment. If the drug can cure a cold overnight it will be one of the greatest discoveries in recent years.

The scientists said it may be used in treating diseases in the virus group, including influenza, measles, scarlet fever, smallpox, and infantile paralysis.

Developed by the Endershall clinical research center in London, the drug has been used by six members of the research staff to cure their colds.

It has been tested extensively by veterinarians in treating neuropathic virus in dogs. The disease usually was 80 per cent fatal. Veterinarians using CF9 reported 80 per cent of the cases were cured.

The center began work three years ago. Its mission was to find a new type treatment for cancer. Out of the research emerged CF9.

### British Lord Claims Large Estate in United States

WASHINGTON—The old romance of an American inheriting a British title and great wealth has been reversed. A titled Englishman has inherited an American estate.

He is Lord Fairfax, 27, youngest member of the British house of lords. The estate, including 1,000 acres of the richest tobacco land in Maryland, was inherited by the Englishman on the death of his aunt, Mrs. Frances Fairfax Roberts.

Since 1685 the Fairfax family has been closely associated with the history of Virginia and Maryland. The first Lord Fairfax came to Virginia as collector of customs for Charles II. Through his wife he inherited 6 million acres in Virginia. Virginia has named a city Fairfax.

### Milton's Birthplace

The poet Milton, who often wrote of his fondness for cake, was born on Bread street, London, a thoroughfare famous for its many bake shops.

## Women Make Business of Hat 800 Years Old

SEATTLE — Two Seattle housewives have become fashion experts with a booming business more or less by accident.

They are Mrs. Wesley V. Korman, wife of an architect, and Mrs. Julian P. Jenner, wife of a bank official.

It all began after the two began buying bamboo blinds from Japan and taking orders on a small scale from neighbors. They asked the imported about other native Japanese work. He remembered an 800-year-old hat he had seen during his boyhood in Japan.

The girls took one look and knew it was for a high fashion market and set out to sell it.

They wrote a friend, Billie Beach Stiff, suggesting that she join their partnership and contact eastern stores with the "Sudari" hat.

### Hat Is Great Success

Billie liked the idea and hooked a set of silver fox furs to finance a trip to Washington and New York. The first store she approached took 50 hats.

The Seattle girls quote Billie, "I think the reason I was such a success is that I was too dumb to go through regular channels. I went right to the top officials."

The easier success inspired the housewives to undertake a 4,000 miles western tour covering leading resorts and shops in nine western states.

Everywhere they went the hat was a success. In a Colorado store patrons and help elbowed, pushed and crowded around when it was shown. One owner of a swank shop closed up so he could talk hats without interruption.

### Work Twenty Hour Day

Orders poured in and Lou and Jo returned home to a 20-hour day.

This is the way their day goes, one of them reports:

"First we spoon food into the babies and then do diapers."

"Then we open mail, pack hats, do invoices, figure prices on our other products, whip down to see the patent attorney, the banker, the broker, the importer; get tests made on our newest products, go back home and pack some more hats until 11 or 12 o'clock, then dash down to the express office to get them off. The phone rings all day and we can't keep up with our correspondence."

Once they learned the ropes of selling the products, they branched out in all directions. They went in with a manufacturer of a device that converts walnut, birch, mahogany or other woods into fine slats. These slats are used in weaving drapes, blinds, lamp shades and other such items.

Some of their customers have such confidence in them they have a standing order of a dozen of anything new.

### Convicted Government Girl Announces Plans to Marry

NEW YORK — Judith Coplon has been married. The 28-year-old former justice department analyst, at liberty pending appeal of two convictions of spying for Russia, announced her engagement to Albert H. Socolov, 29, a New York attorney and war veteran.

The romance began, the couple said, while Socolov was doing research work on the government case in which the girl and Valentin Gubitchev, a Russian engineer, were jointly convicted of spying for Russia.

"Now that we are married," Socolov said, "we hope we will be left alone and allowed to lead a peaceful married life. We want happiness. We want sympathetic understanding by the people. We want our love to stay untarnished by public scorn."

The attorney said he was sure the courts would absolve his bride of guilt.

A reporter asked the couple if they had considered what would happen if Miss Coplon's appeals were denied and she found herself an expectant mother.

"Our marriage is not an attempt to interfere with justice in this case," Socolov said. "We are just two people who happen to be in love, and wanted to get married."

### Policeman Commandeers Train to Chase Bandit

COVINGTON, Ky. — Horses, automobiles, and even planes have been used to capture bandits, but seldom has a policeman commandeered a railroad engine for the chase.

Frank Flate's hardware store was robbed of \$51. The owner rushed into the street after the bandit fled shouting that he had been robbed.

Patrolman Richard Harlow and another officer gave chase. The suspect took off down a railroad track, so police left the cruiser and commandeered a switch engine.

Harlow, a former railroad man, directed the engineer and fireman. After a mile they overtook the fugitive.

## SHORT STORY

### Five Hours Dead

By Richard Hill Wilkinson

OBADIAH LITTLE was dead. There were plenty who would be glad to hear that news. There were a great majority of others who didn't care a rap.

Obadiah was a mean old man who lived alone on a farm 10 miles west of Fairview. Everyone hated him because he

drove a sharp bargain and foreclosed mortgages on the minute.

That was the situation that confronted Owen and me when we drove up to investigate.

Preliminary investigation revealed the following facts: Obadiah had been killed by a rock thrown through a window near which he was sitting, reading. We knew he had been sitting there reading because Moses Morris, a neighbor had passed by in the early evening and noticed the light in Obadiah's window, and noticed Obadiah sitting beside it. Moses had gone up the road looking for a cow that had strayed. He found the cow and started back and noticed that Obadiah had shifted his position.

Something about the way the old man looked aroused Moses' curiosity, and he went up close and saw blood on Obadiah's temple. Moses went on home and called the police.

We corroborated this by talking to neighbors who had heard Moses calling the cow, and by discovering footprints and hoofprints outside the window, and by the fact that Oscar Jones, another neighbor, had come by while Moses was looking in the window.

So we discounted Moses as a possible suspect, and went to work on the others who had hated Obadiah. There was, for example, Roscoe Norbert, who lived a mile away, and who had been helping Obadiah with his haying. A neighbor had heard Obadiah and Roscoe quarreling over wages that very day.

SO WE CALLED at Roscoe's house, and struck a snag. Roscoe hadn't been home all night. That looked bad, or good, depending on what side of the fence you were on. I sent Owen to hunt up Roscoe, and returned to Obadiah's farm.

Quite a crowd had gathered outside. Lights from automobiles illuminated the house and grounds. Among the cars I noticed Doc Orion's little coupe.

He was inside, and had already begun his investigation.

"How's it look?" I asked him.

"Let you know in about an hour," he glanced up and returned to his work. I scowled. Doc was usually more confident.

I went back into the bedroom. Doc was stuffing things back into his bag.

"Been dead about five hours," he said.

"How?"

"Some blunt instrument."

Obadiah was a mean old man ... everybody hated him.

"The rock, eh?"

"Could have been."

Just then Owen came in. He had a tall, rawboned individual with him. "This is Roscoe," he said.

Owen came in again with Moses. Moses looked important.

"Moses," I said, "you're a first class liar. You murdered Obadiah!"

Moses' jaw went slack. "How do you figure that, Shurruf?"

"Easy as pie," I said. "You started out after your cow and stopped by to talk to Obadiah—about renewing a mortgage, perhaps, or something else. Anyway, you got mad and slugged him with the stove poker. Then you propped him up by the window, lighted the lamp and put the book in his hand."

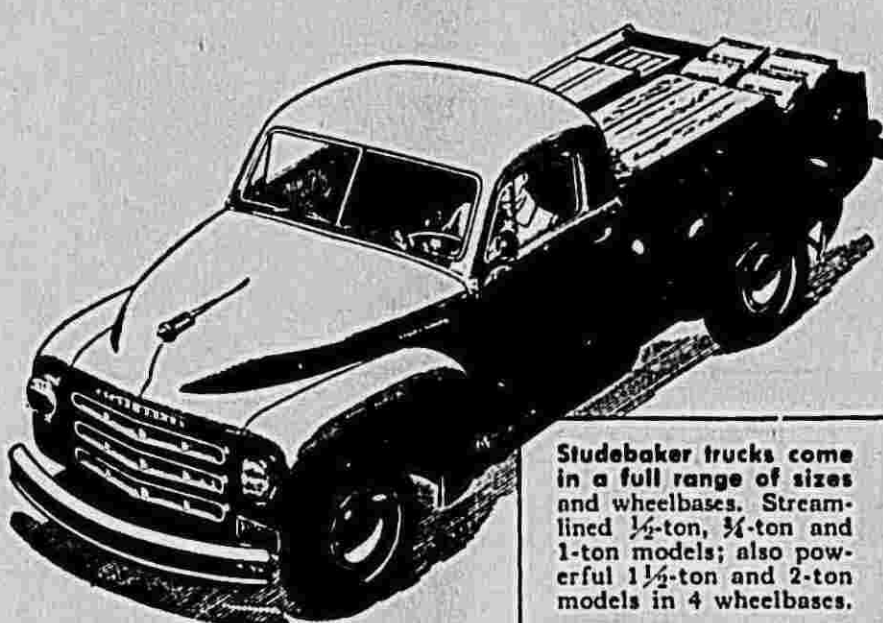

"Then you went outside and heaved a rock through the window. Later, when you came back with your cow you saw that Obadiah had slumped, and you went up to look, which is when Oscar Jones came by."

There was, of course, blood on the poker to prove that part of it, but it was what the doc said that gave me the real lead. Dead five hours. Well, five hours ago the sun was shining, and a mean old man like Obadiah wouldn't burn oil when the sun was out.

Strawberry Freezing  
Select firm, ripe strawberries for freezing.

Power Sprayer

## DELIVERING A MIRACLE

Into every gallon of Sinclair SuperFlame Fuel Oil there is now blended a miracle ingredient ... RD-119, a miracle chemical developed by Sinclair Research.

RD-119 assures you a purer, cleaner fuel oil than ever before because it stops rust in pipe lines, tank cars and trucks that bring the oil from the refinery to your home. In your burner, RD-119 protects against rust and corrosion that clog strainers and burner nozzle.

Phone us now for new, Anti-Rust Sinclair Fuel Oil containing RD-119. It costs no more than ordinary fuel oil.

EXTRA VALUE **ANTI-RUST** NO EXTRA COST  
**SINCLAIR SuperFlame FUEL OIL**

## Economical CHOWDER ... so easy to make on a thrifty GAS Range!

### RECIPE

### Fish Chowder

- 2 lb. frozen haddock fillet
- 1 teaspoon salt
- 1 1/2 cups water
- 2 medium-size potatoes, diced
- 3 medium-size onions, sliced
- 3 cloves garlic
- 4 tablespoons diced green pepper
- 1/2 lb. salt pork, cubed and sautéed
- 1 quart milk

Cook haddock slowly in the 1 1/2 cups salted water, until tender. Remove fish. Add potatoes, onions and garlic to fish liquid. Simmer until tender. Remove garlic. Add green pepper. Cover for 5 minutes, while steam cooks pepper. Add flaked fish, salt pork, fat from salt pork, and milk. Heat but do not boil. Season with additional salt and pepper, if necessary. Makes 4 servings.

"Click-simmer" burners on today's GAS RANGES give you slow, steady cooking for soups ... or this heavenly chowder. If you stumble over a cooking problem ... call the Public Service Company's Home Service Department for the solution!

Reprinted from "The Times Reader's Book of Recipes" published by E.P. Dutton & Co., \$2.50 at all bookstores.

Savor the Flavor you get from a Flame

You have a thousand heats to choose from ... when you have a modern GAS range. The burners on today's ranges are designed for flexible cooking, you can select the perfect cooking temperature for simmering chowder or pan-broiling steak. You'll like everything about the new, cool-cooking ranges. When you turn off the top burner flame on a GAS range, the heat is gone, too! And, of course, for easy cleaning, the burners on a modern GAS range can be dunked in a dishpan. Today's GAS ranges have everything you want for perfect baking, broiling or roasting.

### The FLORENCE

This model 9830 has four of Florence's exclusive Vita-Flame burners ... an extra-deep broiler ... an oven window ... and two roomy service drawers. Brand new "waterfall" design gives you beauty at low cost. Just \$159.50

## Intoxicated Oyster Found Easy Prey For Shucker's Knife

NEW ORLEANS, La.—The oyster industry has come up with a new one—get the bivalves slightly intoxicated on carbonated water and they will open their shell and become easy prey of gourmets.

Another of the late devices is an electronic machine which literally says "phew" to spoiled oysters. Dr. Herbert F. Prytherch developed the mickley finn business. He found by long experimentation that an oyster can get drunk as a boiled owl—even to the point of paralysis—after sipping carbonated water.

As a result of this sudden disposition, friend bivalve lets go and opens his shell—ready for the shucker's knife.

Prytherch also learned that stimulation of bivalves by chemical agencies will produce muscular relaxation and cause the shell to open wider. For this reason, the process of shucking oysters commercially by stimulation involves use of a trumbling machine as well as a few minutes immersion in either carbonated or chlorinated water. The method promises to save considerable time and labor in the removal of meat from the oyster shell. It also reduces the percentage of cut meats, eliminated contamination by mud and sand and improves the keeping qualities of the meats.

The gourmets believe the oyster's brush with the carbonated water gives it an added taste zest.

The electronic machine is a little more complicated, but is even more useful in the commercial field, where one tainted oyster can ruin a complete canning cycle.

Scientists who worked on the development of this supersensitive detecting process ostripped nature by developing tests even more sensitive than the nose for ferreting out unfit seafood.

## Dogs Can Have Hay Fever Minneapolis Doctor Says

COLUMBUS, O.—Maybe that snuffle that Rover has developed is hay fever. Dr. Fred Wittich of Minneapolis says it could be.

Dogs can also be allergic to metallic cooking utensils, house dust, orris root in face powder, several types of prepared dog food, eggs and pine pollen, the doctor says.

They can be treated the same way as in humans. He said he first offered evidence of canine hay fever in 1941. Later reports sustain his observations, he said.

## Lion, Veteran of 500 Films, Earns \$400 a Day

THOUSAND OAKS, Calif.—If you have a desire to wrestle a lion, tiger or panther, there are three such animals in this county that can safely be shoved around—so says their trainer.

At the Jungle Compound in California there are 60 lions, 12 tigers, 12 leopards, 15 cougars, 5 black panthers and associated other wild animals.

The owners are zoo man Billy Richards and Trader Horn who depend on their bread and butter from earnings of their trained animals appearing in movies.

For instance, a lion by the name of Jackie, is a \$400 a day veteran of 500 films.

Skeptical film fans shout "fake" when the hero tangles with a jungle cat. But the animals are real—and rare. There is only one of each type trained well enough to wrestle.

"If you see a man wrestle with a lion on the screen, the lion is Jackie. If it's a tiger, it's Satan. A leopard, Bongo. A black panther, Dynamite," Richards said.

Only one trainer, Melvin Koontz does the rough stuff with the cats. He has doubled for most of the stars in Hollywood. The big cats are safe enough for actors to touch gently. But Koontz is always standing by, just out of camera range.

Richards supplied the first animal to appear in movies in 1910 when he was with the Al G. Barnes circus.

## 11-Year-Old Girl Sold To Become Child Bride

NATHANYA, Israel—An 11-year-old Yemenite girl won a divorce from her 40-year-old husband when she told a rabbinical court she had been sold for 56 cents to become a child bride.

The child said her love couldn't be bought. She tried to kill herself. She ran away from her husband. He traced her to an immigrant camp near Nathanya.

The girl appealed to camp authorities, saying she was a child and wanted to go to school. The court agreed and gave her the divorce.

Israel authorities reported many Yemenite immigrants have child brides.

## Thieves Raid Prison Farm; Escape With 20 Pullets

JACKSON, Mich.—Chicken thieves made a raid on, of all places, Southern Michigan Prison.

An inmate guard on the prison farm noticed a light was out in the chicken house. So he went to replace it and surprised two men busily stuffing chickens into a sack.

The unarmed guard got two black eyes; the thieves got 20 pullets—and away.

## MILLBURN

Regular services at Millburn church Sunday, Oct. 22, with Sunday school at 10 o'clock and the worship service at 11 o'clock, when the young people of the Pilgrim Fellowship will conduct the service. This is the fourth Sunday in Church Loyalty month, and all are urged to attend church if possible.

Millburn Unit of Home Bureau will meet at the home of Mrs. Ed Hoffman Friday afternoon at 1:30 o'clock. Mrs. Raymond Laursen will be co-hostess.

The annual roast chicken dinner and bazaar will be held in the church and Masonic hall Friday evening, Nov. 3. The bazaar will include the usual sale of fancy-work, aprons, towels, rag rugs, bakery goods, vegetables, candy and grab-bag articles.

Mrs. Nettie Bowden of Washington, D. C., and Mr. and Mrs. J. Stewart Bowden of Kearny, New Jersey, were guests at the J. S. Denman, Ed Denman and Schuyler Denman homes the past week.

Thirty-five members of the Couples club and their families went by bus to Chicago Tuesday evening and attended the Ice Follies at the Chicago arena.

Mr. and Mrs. Ed Hoffman and sons, George and Richard, returned Tuesday from a 15 day auto trip through the southern states. They visited the Virgil Mills family in Missouri, former residents of Millburn.

Mrs. Addie Lucas of Wadsworth spent several days at the home of her son, Charles Lucas.

Employees of Druce Lake camp including Miss Evelyn Wright, Mr. and Mrs. Ross Hermon and family, Mr. and Mrs. Frank Edwards and

Miss Chloe Diedrich were guests of the Association at the Rodeo in Chicago Thursday.

Mr. and Mrs. Ed Denman of Gurnee and Mr. and Mrs. W. S. Denman of Waukegan were supper guests at the J. S. Denman home Wednesday in honor of their aunt and cousins, the Bowdens, from Washington, D. C., and New Jersey. Mr. and Mrs. Howard Bonner and sons, Johnny and Bruce, are spending four days vacation in northern Wisconsin and Michigan. They visited the Raymond Hauser family in Stephenson, Mich.

Wilder Smith and sisters, Cora and May Smith of Hebron, Ill., spent Thursday at the Savage home. Mr. and Mrs. William Heintz and two grandsons of Lansing, Ill., spent Saturday at the J. Kalus home.

Mr. and Mrs. Frank Edwards were supper guests at the John Edwards home in Libertyville Sunday.

Mr. and Mrs. Marc Edwards of Westchester, Ill., spent Friday and Saturday in Millburn.

Miss Una J. Minto left Thursday for Claremont, Calif., where she will spend the winter.

W. C. Upton spent several days

High School Set-up  
In Kenosha County  
Is Still Unsettled

The fact that many residents of Kenosha county are still unsatisfied with the high school set-up for the county is clearly evident by the many complaints registered with the Antioch News.

The situation, as it now stands, provides a new high school district, which includes most of the territory within the county not included in the Kenosha school district or the Wilmot Union Free High School District. The new district has been named the Union Free High School District.

Main basis for complaint at the present time is the levying of a ten mill high school tax in addition to the already established 5 mill tax for educational purposes. The new tax does not provide for the operation of a school, and students of the district are still going to school on a tuition basis at Wilmot, Union Grove and Kenosha high schools.

A petition for removal from the new district and inclusion with Union Grove is already on file from Wheatland township and it is said that Brighton, Salem, and Bristol will make like moves soon.

Some opponents of the new district claim that taxes for school purposes within the new district will run as high as 35 mills, meaning a tax load of \$35.00 per \$1000 assessed valuation. They also say that the new school district, most of which lies within ten miles of already established high schools, is unnecessary.

LEGAL NOTICE  
COUNTY ZONING NOTICE  
STATE OF ILLINOIS ) ss.

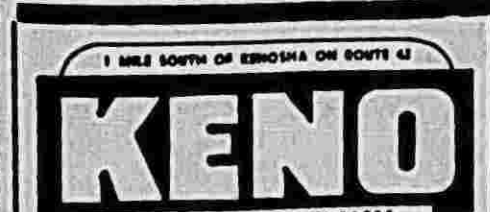

COUNTY OF LAKE )  
TO WHOM IT MAY CONCERN:  
PUBLIC NOTICE is hereby given to all persons in the Town of Antioch, Lake County, Illinois, that a public hearing will be held on November 6, 1950, at the hour of 1:30 P. M., in the Village Hall, Antioch, Illinois, relative to a proposal to vary the terms of the Lake County Zoning Ordinance, or to reclassify by amendment thereto, from the F-Farming District, to the B-1 Business District, the following described real estate, to-wit:

That part of the Southwest quarter of the Southwest quarter of Section 24, Township 46 North, Range 8, East of the 3rd P. M., in Lake County, Illinois, described as follows: Commencing at a point in the center line of Grass Lake Road which is 65.02 feet South and 204.88 feet West of the point of intersection of the said centerline of Grass Lake Road with the East line of the Southwest quarter of the Southwest quarter of said Section 24; thence South 21 degrees and 27 minutes East 290 feet to a point which is 270.13 feet South and 105.76 feet East of the point of beginning; thence South 62 degrees 23 minutes West 102 feet; thence Northwesterly to the center line of said Grass Lake Road at a point 122.08 feet Southwesterly along the center line of Grass Lake Road from the place of beginning; thence Northeasterly to the place of beginning.

As a result of the petition of Joseph Farrin and H. J. Gentzen, which petition is on file and available for examination in the office of the below named Board, Court House, Waukegan, Illinois. All interested persons are invited to attend and be heard.

LAKE COUNTY ZONING BOARD OF APPEALS.  
John J. Hogan, Chairman.  
Dated at Waukegan, Illinois, this 19th day of October, 1950. (12c)

A&P is now celebrating its 91st anniversary. Our first store was opened in the fall of 1859. Millions of consumers, by their patronage, have indicated they like our way of doing business. We appreciate their confidence and shall continue to bring you highest quality foods at everyday low prices & friendly courteous service.

## Customers' Corner

Have you noticed that our fresh fruit and vegetable departments are more attractive than ever before? That's because we have worked hard to make them that way.

Our expert buyers get top quality produce.

Our skilled clerks are trained to keep displays neat and fresh.

We've improved our refrigeration and packing methods to insure freshness and shopping convenience.

We've cut out waste in the handling of produce so that we can pass the savings along to you.

All these things should make A&P fresh fruits and vegetables the best buy.

If they aren't, the employees in your store want to know about it.

Please write:
